SUMMER 2013—ISSUE 13

Published in Kerrville, Texas

EDGE WATER OLYMPICS

Greystone would not be quite the program that it is now if not for the many volunteers and friends of Greystone. This generous group has offered up their time, homes, and effort for our students throughout the year. For the last hoorah before Howlin' at the Moon and ARC, Frank and Mollie Maresh invited Greystone to their beautiful home on the Guadalupe River for dinner and the 1st Annual Edge Water Olympics. Events included kayaking, horseshoes, tennis, and volleyball. Everyone had a great time. Thank you, Frank and Mollie for your extraordinary Hill Country hospitality!

FLAG RAISING

When you next stop by Greystone you will surely notice our newest feature in front of LA Schreiner — two flags standing tall. Every morning and every evening, the colors are raised and lowered by students to remind us of all that the flag represents, our freedoms, liberties, and blessings that we hold dear in the United States of America.

Pazdral and McGlothlin lower the colors at the end of the day.

The American flag, Old Glory, standing tall and flying free over American soil for 228 years is the symbol of our beloved country. It is recognized from near and afar, and many lives have been lost defending it.

—Jeff Miller

THANK YOU, FRIENDS!

Students who come to Greystone get so much more than an academy prep experience. With all of the parents, volunteers, and friends of Greystone, they become part of an extended family—a family that takes care of all its members. This year, we've had parents hosting out-of-state students for weekends and holidays in their homes, which to the students is valuable relaxing time. They look forward to these weekends more than almost anything else in the program. Thank you, parents, aunts, uncles, and grandparents for reaching out and extending your generosity to these future military leaders. By setting the example, it's our hope that the Greystoners will extend the same generosity in the future.

Thank you, Greystone family for all you do!

WISH LIST

Dear Friends,

The Operations side of Greystone is only partially funded yet the unfunded events and programs are as vital to Greystone as academics. Providing students with many opportunities in leadership, community service and additional athletics, these programs are an integral part of Greystone because they directly coincide with the expectations, preparedness and extra-curricular activities found at the U.S. Federal Service Academies. Any financial help in deferring these costs is greatly appreciated.

These "other" events, programs and items are what sets Greystone apart from other preparatory schools.

Events and Programs:

Toastmasters **\$1500**

(An international organization aimed at developing communication and leadership skills)

ACE Reader **\$1000**

(A USAFA-affiliated speed reading and comprehension program designed to enhance SAT and ACT scores on the reading and verbal sections.)

Skeet and Trap Shooting **\$714**
(\$17/student/day)

Fun Gun Day **\$1000**

(Schreiner Coach Bill Thomas teaches weapon safety and familiarization.)

Competition Pistol Team **\$1500**

(Our Greystone Pistol Team could use some help paying for ammunition.)

Join the Friends of Greystone!

☐ \$25 ☐ \$50 ☐ \$75 ☐ \$100

Event and Program costs can be subdivided into "chunks." You may also choose to earmark your contribution.

Greystone Preparatory School at Schreiner University uniquely offers Federal Service Academy candidates a one-year program with emphasis on academics, athletics and leadership through its affiliation with Schreiner University. Schreiner courses are fully accredited and taught by experienced professors with their doctorate degrees. All academic courses are in sync with first-year academy courses, providing Greystone students with a significant advantage over their academy classmates because they are more prepared for the true rigors they will encounter at the academies – academics, athletics and leadership challenges. In addition to university-level academics, Greystone supplements its program with a demanding athletic and physical conditioning program, as well as significant character development and leadership training throughout the entire year of study. Students who graduate from Greystone are better prepared for the scholastic, physical and leadership challenges that await them and therefore are more apt to maximize their four-year academy opportunity leading them to graduation and their commissions.
