2300 Lights Out

Announcements:

Room Inspection: The Greystone program is designed so that every day, you get a little bit stronger, a little wiser, and a little more prepared for the challenges of the academies. As you continue to grow, so too do our expectations. We raise the bar a little bit higher every day and that includes room inspections. Yesterday's standards were good, but tomorrow's are going to be better, never worse. That is why we have scheduled our first Alpha Inspection. We are confident that it is fully within everyone's ability to pass the Alpha Inspection with flying colors. That being said, give it your all and I'm sure that it will be a successful morning!

Saturday Squad Shirt Rotation:

First Squad: Red	Third Squad: Cobalt Blue
Second Squad: Green	Fourth Squad: Navy Blue

Monday Squad Shirt Rotation:

First Squad: Navy Blue	Third Squad: Green
Second Squad: Red	Fourth Squad: Cobalt Blue

Reminders:

Staying Healthy: Part of the experience of living in a dormitory for the first time is finding out that germs travel fast. But we don't want you to stress out too much over them. As long as you shower regularly, wash your clothes and bedding regularly, and sanitize surfaces like light switches and door handles every once in a while, you will effectively fight off germs.

Academy Presentations: Thank you to Midshipman Dylan Tracy, USNA Class of 2019! "3.5 months" and....."IT ALL MATTERS". Please think about his presentation this afternoon.

And thank you to Gerrit Porter, USMMA Class of 2016, for teaching us about the "Best Kept Secret" of the Service Academies – the Merchant Marine Academy. There are many paths to reach your end goal of commissioning in the military and it would be unwise to not consider USMMA!

In order to succeed, we must first believe that we can.

Nikos Kazantzakis

Respectfully,

Danielle Schaefer
Communications Director
