Published in Kerrville, Texas

CONGRATULATIONS GREYSTONE CLASS OF 2014!

A typical day for the Greystone class of 2014 was usually filled with morning PT, classes, eating at the Schreiner Diner, and then spending the evening at Study Hall. However, some of the most memorable moments during the year came from the events that were outside of the daily routine. We hope that you enjoy the pictures of these memories as much as we enjoyed making them!

SAYING GOODBYE TO JUDGE PAT TINLEY

Several years ago while Greystone was in its infancy, I met a gentleman named Pat Tinley. Little did I know that Pat was the County Judge – after all, he was wearing blue jean coveralls and work boots! And so it began – a wonderful relationship that had a

tremendous impact on the development of the Greystone program and the individual Greystone students!

Following our initial meeting, it seemed that I ran into Pat everywhere in Kerrville. It wasn't long before I asked him to get involved in the Greystone Honor and Conduct Programs. Initially he was somewhat taken aback! He asked me if I knew he was a lawyer and a politician because in his book, those two professions did not necessarily translate well to being a person of "honor" or "conduct"! Little did I know at the time that he was all of that and so much more! To me, Pat was the very definition of a man of great honor, endless integrity and limitless sense of right and wrong. He was a beacon for the community and he became the guiding light for honor and conduct development at Greystone! Pat provided a quiet and gentle hand when I needed advice and counsel – and when the Greystone students needed him, he always made time for them to discuss their issues, procedures and actions. There was nothing more important to him than his passion to help others and his Greystoners were always on the top of that list!

For this reason, The Greystone Honor and Conduct concepts that the students create every year based upon their research of the five Federal Service Academies' honor and conduct programs will be dedicated to him. The signed original will hang in the Greystone Conference Room for all to see under the watchful eye of the man that made this vital part of the Greystone experience something that makes a difference in the lives of these future leaders.

We will miss our friend and mentor, Judge Pat Tinley. A man whose legacy will live on in all that he touched. Gone, but never forgotten!

CDR Dave Bailey, USN (Ret)
Founder and CEO, Greystone Prep School

WISH LIST

Dear Friends,

The Operations side of Greystone is only partially funded yet the unfunded events and programs are as vital to Greystone as academics. Providing students with many opportunities in leadership, community service and additional athletics, these programs are an integral part of Greystone because they directly coincide with the expectations, preparedness and extra-curricular activities found at the U.S. Federal Service Academies. Any financial help in deferring these costs is greatly appreciated.

These "other" events, programs and items are what sets Greystone apart from other preparatory schools.

Events and Programs:

Toastmasters **\$1500**
(An international organization aimed at developing communication and leadership skills)

ACE Reader **\$1000**
(A USAFA-affiliated speed reading and comprehension program designed to enhance SAT and ACT scores on the reading and verbal sections.)

Skeet and Trap Shooting
(**\$17/student/day**) **\$714**
(Schreiner Coach Bill Thomas teaches weapon safety and familiarization.)

THANK YOU, GREYSTONE AUXILIARY!

Thanks to the efforts of the Greystone Auxiliary, many of our events this year went from being ordinary to extraordinary. These generous volunteers give their time, energy, and love to the Greystone students, year-round. At the end of the year, they put together the Edgewater Olympics at the beautiful home of Frank and Mollie Maresh where the students had a chance to play games, swim in the river, eat, talk, and relax. Thank you, Frank, Mollie, and the Auxiliary for putting on such a great event and for your constant support!

Greystone Preparatory School at Schreiner University uniquely offers Federal Service Academy candidates a one-year program with emphasis on academics, athletics and leadership through its affiliation with Schreiner University. Schreiner courses are fully accredited and taught by experienced professors with their doctorate degrees. All academic courses are in sync with first-year academy courses, providing Greystone students with a significant advantage over their academy classmates because they are more prepared for the true rigors they will encounter at the academies – academics, athletics and leadership challenges. In addition to university-level academics, Greystone supplements its program with a demanding athletic and physical conditioning program, as well as significant character development and leadership training throughout the entire year of study. Students who graduate from Greystone are better prepared for the scholastic, physical and leadership challenges that await them and therefore are more apt to maximize their four-year academy opportunity leading them to graduation and their commissions.
