## **Announcements:**

**Staying Healthy:** Part of the experience of living in a dormitory for the first time is finding out that germs travel fast. But we don't want you to stress out too much over them. As long as you shower regularly, wash your clothes and bedding regularly, and sanitize surfaces like light switches and door handles every once in a while, you will effectively fight off germs.

## **Squad Shirt Rotation:**

First Squad: Green

Third Squad: Grey

Second Squad: Cobalt Blue

Fourth Squad: Red

## **Reminders:**

**Team Sports:** Team sports for Friday will be held in Edington Gym (where we held the CFA).

**Academy Presentations:** Thank you to Midshipman Dylan Tracy, USNA Class of 2019! "3.5 months" and....."IT ALL MATTERS". Please think about his presentation this afternoon.

And thank you to Gerrit Porter, USMMA Class of 2016, for teaching us about the "Best Kept Secret" of the Service Academies – the Merchant Marine Academy. There are many paths to reach your end goal of commissioning in the military and it would be unwise to not consider USMMA!

*Leaders aren't born, they are made. And they are made just like anything else, through hard work. And that's the price we'll have to pay to achieve that goal, or any goal.*
