## **Announcements:**

**Room Inspections:** This morning, we had not one, not two, but three rooms to pass inspection with flying colors! Well done!

## **Squad Shirt Rotation:**

First Squad: Cobalt Blue

Third Squad: Red

Second Squad: Navy Blue

Fourth Squad: Green

## **Reminders:**

**September ACT:** I heard back from Schreiner this morning regarding the ACT. They have completed the renewal forms today in order to be a Test Center. They've not received confirmation back from ACT yet. The guidance we've received is to register for the ACT at the next closest testing location (University of Texas at San Antonio - UTSA **Center Code 042390**) for now, and if/when Schreiner becomes available, you can change your test center. Either way, Greystone WILL provide transportation to and from the ACT.

*If at first you don't succeed, then skydiving definitely isn't for you.*
