# The Greystone *Holiday* Compass

*Newsletter for prospective, current and former Greystone students, families and friends*

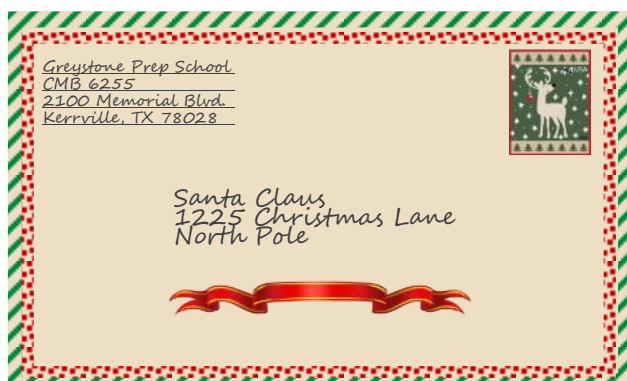

**SPECIAL EDITION 2013—ISSUE 15**

*Published in Kerrville, Texas*

## IT'S BEGINNING TO LOOK A LOT LIKE CHRISTMAS!

One of the perks of coming to Greystone is that you're not just choosing to join a program, you're joining a family – a family that loves to celebrate the holidays together! When we move into finals week, the Greystone rooms and offices transform into their own little neighborhood, decorated from end to end in lights, garland, and Christmas trees.

Although we already know what's on every Greystone student's Christmas List (an academy appointment), we wanted to find out what else they would be asking Santa for this year. We gathered all of the letters addressed to the North Pole and put them together here, for you! As a staff, our Christmas wish this year is that every Greystoner has a wonderful holiday filled with good food, friends, family, and much-needed sleep. As for the students, take a peek to see what they are wishing for this year. Enjoy!
