Transition from OrgSync to Paws Portal: With changes to the OrgSync platform, Greystone decided to end our contract. All files that are currently on OrgSync will be moved to the Schreiner University PAWS Portal. If you haven't registered for it yet, you will need to do so before 14 November when the current contract expires. You can find the link to your PAWS Portal on Schreiner One in the Campus Community Tab.

Thanksgiving Chits Due on Tuesday 07 Nov: Get them in so we can start planning! See the reminder below for times when the vans will be making airport runs!

Reminders:

Honor/Conduct Note: As you may know, there was an honor and conduct violation that occurred recently at the United States Air Force Academy, regarding the few cadets that made racial slurs about their fellow peers. This is obviously wrong, and the Superintendent of the United States Air Force Academy was proactive in his actions. As future military officers, we should also be proactive when faced with not only honor and conduct violations, but any challenges. Let's really reflect on this situation and ask ourselves how we would handle this situation. By taking a moment to analyze these types of situations, we can achieve our goal: no violations of the Honor Code or Standards of Conduct this year. Remember, we want to prove Col. Young Wrong!

Very respectfully,
Honor Code and Standards of Conduct Committees

Effective Communication Note: The art of public speaking is teachable and can be learned by those willing to put in the hard work.

I am an advanced Toastmaster teaching the oratory techniques to the Greystone Preparatory School of 2018. The class consists of 28 men and 6 women of the highest caliber of character and integrity. I am proud to be a staff member of Greystone Preparatory School at Schreiner University and to have the great opportunity to stand in front of the young adults each week.

Last Friday, our Effective Communication class included twelve 3-5 minute prepared speeches that would have impressed Demosthenes, the prominent Athenian statesman and orator. There were the 12 prepared speeches, but all students participate each week with speaking roles of Word of the Day, Moments of Humor, Evaluator and Grammarian. All are performing at a very high level.

As stated above, every speech was outstanding and well presented. Special congratulations go to the top three; Matt McGee on how to do a proper pushup, Christian Giggie on comparing culture and costs 100 years ago to today, and Peyton Seago on ethics.

On completion, the audience responded with a thunderous standing ovation.

These students have put in the hard work. I cannot wait for this week. I am looking forward to twelve more outstanding presentations.

-Mr. O'Neal

Final Exam Food Table: Parents, every year for finals week, we like to set up a table full of goodies for the Greystoners. As you know, final exams are a stressful time for most students, so this snack table is nice place to come down and relax while they're on study breaks. If you would like to donate anything to the table, please feel free to do so! We find that the snacks that go over the best are usually on the healthier side – fruit, granola bars, jerky, nuts ... but sweets are always appreciated too! Finals Week starts on December 7th so if you're planning on mailing anything, that is your target date. You can mail them to:

Greystone Prep School
CMB 6255
2100 Memorial Blvd.
Kerrville, TX 78028

Thank you in advance!

SAT/ACT Registration: It is your responsibility to ensure you are registered for the semester's SAT and ACT exams.

1st Place: \$50 Amazon Gift Card

2nd Place: \$25 Amazon Gift Card

3rd Place: \$25 HEB Gift Card

Answer: C

☒ C 7

☐ D 9

This is $f(5)$ OR $f(g(5))$. We need to find $g(f(5))$.

Because we are asked for the value of a composition, we start from the inside of the parentheses by finding $f(5)$. According to the graph, $f(5)$ is approximately 9.

Now, $g(f(5)) = g(9)$. According to the graph, $g(9)$ is approximately 7. Therefore, $g(f(5))$ is approximately 7.

The correct answer is 7.

SAT QOD:

The rise of meal delivery service HomeBites and the app Foodie (that allows users to rate restaurants) are just two instance of how technology has dominated our eating culture.
