## MERRY CHRISTMAS AND HAPPY HOLIDAYS FROM THE GREYSTONE FAMILY!

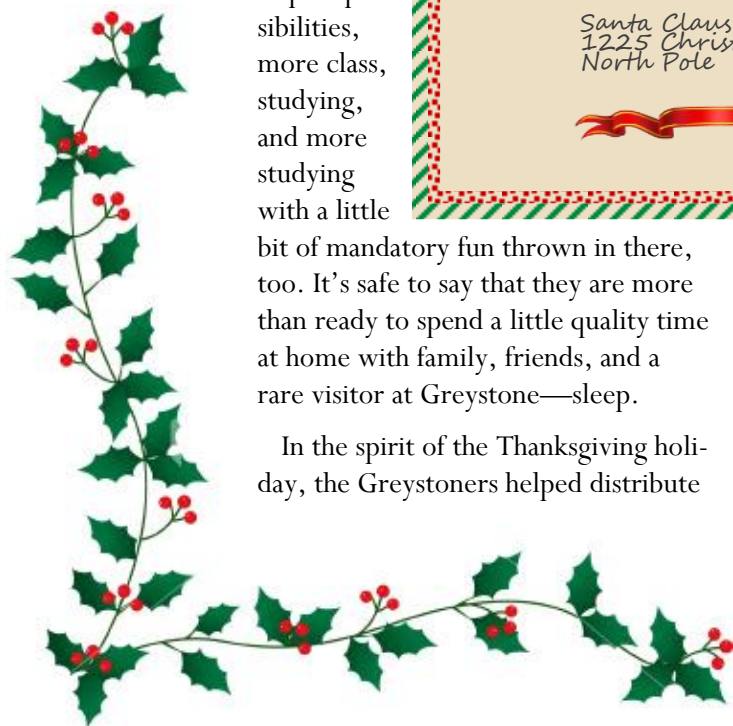

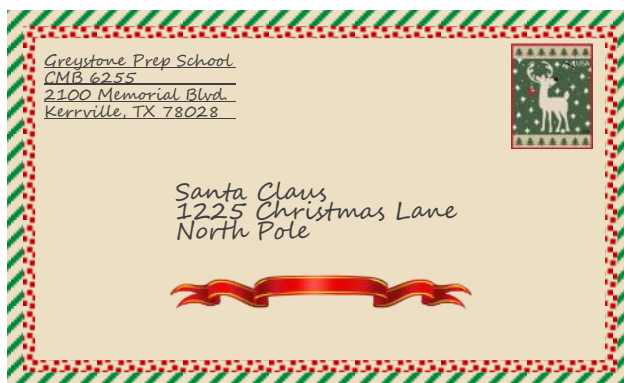

The fall semester at Greystone is quite a show. The kids would surely tell you that the action has been non-stop since August. Their days have been filled from morning to night with PT, class, community service, class leadership responsibilities, more class, studying, and more studying with a little bit of mandatory fun thrown in there, too. It's safe to say that they are more than ready to spend a little quality time at home with family, friends, and a rare visitor at Greystone—sleep.

In the spirit of the Thanksgiving holiday, the Greystoners helped distribute

nearly 10,000 pounds of Thanksgiving food from the San Antonio Food Bank. Because of their efforts, over 250 local families were able to have a traditional Thanksgiving meal, complete with a turkey and all of the sides.

Our wish this year for all of the Greystone students, parents, and friends (past and present) is to have a

joyful holiday full of good food, conversation, and company. As for the Greystoners' Christmas lists, take a peek inside to see what they've asked Santa for this year...
